CCR § 3005 (b) - FAILURE TO OBEY A DIRECTIVE

In June 2007, a written directive was posted in the 'F' Wing Housing Unit notifying all inmates to remove all window coverings and curtains within their cells and that failure to do so would result in the issuance of a CDC Form 128-A, Custodial Counseling. On 11-09-07, a random search of cell 256 revealed that Inmate Cleveland, CDC # 11-60545, assigned to the (upper) / (lower) bunk was found in violation of this directive by having (a curtain obstructing a clear view of his bunk area) / (~~a window covering prohibiting adequate light to see into the cell~~). Inmate Cleveland was informed that this violation serves to threaten security by prohibiting staff a clear and unobstructed view of his assigned living quarters. Inmate Cleveland was counseled and reprimanded regarding this matter and was (receptive) / (~~unreceptive~~) to this verbal warning. Further, he was informed that any future violations of this nature would result in progressive disciplinary action.
